

Clear™ 4G+ Mobile USB (Series S)

A mobile 4G USB modem with 3G nationwide coverage.

FEATURES

Easy To Use

- Plugs into your laptop's USB port
- Installs in minutes
- Automatically connects in coverage* areas

Versatile

- Automatically switches from 4G to 3G for wider coverage
- Adapts to different USB port locations
- Combine with the Clear Spot to create a portable Wi-Fi hotspot for up to eight devices

This 4G mobile USB modem provides access to the Clear high-speed WiMAX network and 3G cellular networks for our best combination of speed and coverage wherever you are.

Set-up is easy. Just plug the modem into a USB port on your laptop and open the installed Connection Manager software to connect automatically when inside the CLEAR 4G or 3G nationwide coverage.

* Network connection must be manually reestablished when travelling from a 3G coverage area into a Clear 4G coverage area.
