

CLEAR Hub Express

4G fast internet for your home or office

The CLEAR Hub Express is a combination 4G modem and wireless router to give your home or office fast 4G internet. Connects all of your wi-fi-enabled devices to the internet with a secure connection. Simple and easy to set up.

CLEAR Hub Express

The CLEAR Hub Express is a modem and wireless router in one - it's the only piece of equipment you need to set up a 4G internet hotspot in your home or office. Connect laptops, tablets, smartphones and other wi-fi-enabled devices to the internet with a fast and secure connection. Set up in minutes without any tools. And it's portable, so you can use it anywhere CLEAR has coverage.
